

PATH CHRISTIAN *Academy*

"Put on the full armor of God, so that...you may be able to stand your ground..." Ephesians 6:10-18

APPLICATION FOR FINANCIAL ASSISTANCE:

Dear Parents,

This application is for financial assistance on the tuition/daycare fees for your child(ren) attending Path Christian Academy. We realize we cannot help everyone who would like financial assistance, however, periodically the Lord provides some monies and then we are pleased to be able to help as many applicants as we can assist. We are convinced that if the Lord wants your child(ren) in the school He will provide the necessary finances through either our financial aid program or any number of other resources that He has at His infinite disposal. We ask that you lift your desire to have your child here at P.C.A. to the Lord and seek His guidance.

Please inform us how much assistance you need to cover the tuition and/or daycare fees. Completely fill out the form on the reverse in Black Ink. Leaving blanks will delay your acceptance (as the application will have to be returned to you for completion). This may risk monies running out before your application gets approved.

You must return your completed application with support documentation of all financial claims. Make sure to have removed or blacked out all account numbers, social security numbers and/or credit card numbers. If you have any questions please call (714)236-1293 during normal business hours.

You will be notified by e-mail if your financial assistance has been approved, declined or modified. You will have three days to accept or decline the financial assistance terms. After three days, if we have not heard from you, we will assume you do not accept our terms and will revoke the assistance and move on to the next applicant.

All financial assistance will require you to commit to ten hours of volunteer time at C.O.P/P.C.A for every \$1000 or part thereof given for the year. A minimum of half of the hours must be completed by the end of the second quarter or financial aid will be revoked. You will then be required to pay full tuition to complete the school year contract.

Volunteer hours can be completed by helping in the classroom, office, special events, field trips, Saturday work days, helping organizing, running or working fundraising events (fundraising events where monies go toward outdoor education trips does not count as volunteer hours unless you are the lead in the fundraising event).
