

Statement of Purpose

"Train up a child in the way that he should go, and when he is old he will not depart from it." Proverbs 22:6

Our educational program deals with each student's spiritual, intellectual, cultural, physical and artistic needs. We attempt to equip Christian young people with the biblical view of life and train them for a life of service to God. Our goal is to help them grow, "in wisdom, in stature, and in favor with God and man" (Luke 2:52) with Christ as the example.

P.C.A. functions in cooperation with the home and church in providing a Christ-centered education. It is our desire to promote a strong relationship between family, church and school.

Because we believe that all children are created in the image of God and are placed on earth to serve God and our fellow man, we therefore do not discriminate on the basis of gender, race, color, or national origin.

Objectives for Christian Education are as follows:

- To provide the child with the skills and knowledge necessary to achieve academic excellence.
- To provide motivating and challenging experiences that will develop creative skill, talents and the abilities that the Lord has placed into each child.
- To teach the child his/her to make Godly choices.
- To provide the child with the knowledge necessary to live a Christ centered life.
- To provide the skills to take responsibility and ownership of ones own learning.
- To provide an atmosphere that promotes a positive attitude towards making life long learners.
- To promote love, kindness, selflessness, sharing, gentleness, forgivingness within conflict resolution in the lives of the children.
- To promote a safe environment for learning through trial and error.
