STATEMENT OF PURPOSE

"Train up a child in the way he should go,
and when he is old he will not depart from it."

(Proverbs 22:6)

Our program deals with each student's spiritual, intellectual, cultural, physical, and artistic needs. We attempt to equip Christian young people with a biblical view of life and train them for a life of service to God. Our goal is to help them grow as it says in Luke 2:52;

"In wisdom, in stature, and in favor with God and man."

PATH Christian Academy functions in cooperation with the home and church in providing a Christ-centered atmosphere. It is our desire to promote a strong relationship between family, church, and school.

Our objectives for the summer outreach program.

- To teach that the Lord Jesus Christ is the Son of God who came to earth to die for our sins and that it is necessary to be born again by the Spirit of God, by receiving the Lord Jesus Christ.
- To teach that growth in the Christian life depends upon an intimate fellowship with God through reading the Bible and through prayer.
- To provide the student with the skills and knowledge necessary to grow cognitively, therefore bringing glory to Jesus Christ.
- To provide motivating and challenging experiences and activities that will develop their creative skills, the talents and the abilities that the Lord has placed into each student.
- To teach the student his/her civic responsibility and to prepare him/her for adult responsibility as a citizen of our nation and as a citizen of heaven.
- To provide activities and/or campus assemblies that are fun and educational
- To provide daily mentoring by Spirit filled youth leaders.

As your child's health and safety is our first priority, all field trips are on hold until the ability for us to go out opens up again. We will be taking this on a week by week basis throughout the summer. When/if things do open up, our prayer is that we can go on one field trip a week; on Wednesdays. If this becomes available there will be an additional field trip cost added to each week.
