Dear parents,

See's Candy notified us that they have closed down their manufacturing plant and have cancelled our order we submitted for the spring school fundraiser. We will not be receiving a refund for up to 4-6 weeks. Because this was supposed to be a school fundraiser, and due to today's situation, if you could possibly ask the people you received chocolate orders from to choose to consider their orders a donation to our school as opposed to a refund. If that is the case – that would be amazing and we'd be extremely grateful – just please let us know by emailing Mrs. Hill at [mrs.hill\\_pca@yahoo.com](mailto:mrs.hill_pca@yahoo.com). If we do not hear from you, refund checks will be issued in 6-8 weeks.

Trusting in Him,

Mrs. Rene Hill  
Preschool Director/Principal
