Read

Academic Expectation

Calvary Chapel Christian School of Cypress endeavors to help all students achieve academic excellence. In keeping with our standards of excellence we believe that good study and organization skills are imperative to the future success of any student. Therefore, students are responsible to faithfully meet minimum academic expectations: including completion of homework, classroom assignments and projects. It is the responsibility of the parents/guardians to see that their student meets these expectations.

Grading at Calvary is as follows:

98%-100%	A+	97%-93%	A	92%-90%	A-
88%-89%	B+	87%-83%	B	82%-80%	B-
78%-79%	C+	77%-73%	C	72%-70%	C-
68%-69%	D+	67%-63%	D	62%-60%	D-
59% or below	F				

Excellent effort and behavior play an important roll in the academic success of any student. Students are graded on effort and behavior as well as academic achievement. A student's effort and behavior will be considered if any academic decisions are made concerning their achievement here at Calvary. Students will earn a mark on all reports (mid-quarter/quarterly) in this area. Be aware that grades do not affect marks in this area.

E	Excellent
S	Satisfactory
N	Needs Improvement

*Students who do not maintain a C or above or repeatedly fail to return completed homework/class work in core subjects will be bought up for review with the principal. The student may be placed on academic probation and parent/teacher/principal conferences will be required. They will not be eligible to participate in school plays or after school clubs until continued improvement is seen in their academic achievement. If during or after the academic probation the student's grades/ achievement does not improve, the student will face expulsion based on poor academic achievement and effort.
